### TRADE EXHIBITION

A Trade Exhibition will be held at the Congress venue itself. Interested companies are requested to contact the Secretariat.

### LIABILITY

The Organising Committee will not be liable for personal accidents, loss or damage to private properties of the delegates during the Conference. Participants should make their arrangements with respect to personal insurance.

### DISCLAIMER

Whilst every attempt will be made to ensure that all aspects of the Conference as mentioned in this publication will take place as scheduled, the Organising Committee reserves the right to make changes should the need arises.

## ABSTRACT SUBMISSION GUIDELINES

The Scientific Committee welcomes the submission of free communications.

This could be in the form of Oral or Poster Presentations.

The deadline for submission of abstracts is **1<sup>st</sup> June 2018**. Late submission will not be considered. Only abstracts from participants who have registered and paid their registration fees will be considered.

Abstracts submission is to be done online at the conference website. For full submission instructions as well as guidelines, please log-on to **[www.mscm.acadmed.my](http://www.mscm.acadmed.my)**

## SCIENTIFIC E-POSTERS

You are kindly invited to submit scientific contributions to be presented during the meeting. As an alternative to the traditional printed paper poster, the CPAMM and ASCOMOS are pleased to introduce e-posters to the Annual Scientific Meeting 2018. E-posters will replace the printed posters and we are sure that you will share our enthusiasm for this innovative approach to poster presentation. As you will have uploaded your poster in advance there is no need to print and carry a poster to the meeting. This will save you the time and costs associated with printing and reduce the carbon footprint of the meeting. There will be monitors at the conference where all posters can be viewed.

Abstracts may only be submitted using the electronic abstract submission system and must meet the following criteria:

- The abstract must not exceed 300 words
- Abstracts must be written in English, explained abbreviations may be used
- Graphs and Tables are not allowed

All Abstracts must follow the required structure:

- Introduction
- Objectives
- Materials and methods
- Results
- Discussion
- Conclusions

Successful entrants will be emailed instructions on how to upload their e-posters for presentation after 1<sup>st</sup> June 2018. Your e-poster should be produced using the PowerPoint Poster template which will be provided. The content of the presentation should be of a single slide. E-Posters of different dimensions may be skewed/stretched/truncated when displayed on the monitors at the Annual Scientific Congress unless they conform to the template.

## YOUNG INVESTIGATOR AWARD

The Academy of Medicine of Malaysia initiated the Young Investigator Award to encourage young investigators to participate in the proceedings of the Malaysia-Singapore Congress of Medicine. This is in recognition of outstanding original work and consists of prize money of RM 2,000 and a certificate of merit.

### Abstract Requirements

1. The Award is given to the person who presents the best free paper at the Malaysia-Singapore Congress of Medicine.
2. The competition is open to all doctors below the age 35 as of 1<sup>st</sup> January 2018 and working in Malaysia, Singapore and Hong Kong.
3. Only original work not previously published or presented will be considered.
4. The work must have been carried out in Malaysia / Singapore / Hong Kong.
5. A panel of judges will be appointed by the Council of the Academy whose decision shall be final.
6. The panel shall select and shortlist five entries from all the free papers submitted to the Congress and will attend the oral presentation of these shortlisted papers before coming to a final decision which will then be forwarded to Council for approval.
7. In the event that no entry of sufficient merit is received, the panel of judges may recommend to the Council that no award be made.
8. The Council of the Academy of Medicine of Malaysia reserves the right to request the winner of the award to make a special presentation, should the need arise and to reprint the winning entry in any publication the Council so desires.
